RESPONDENT

I, the petitioner, state under oath that:

The following rights and privileges under the Virginia Freedom of Information Act were denied to me by the respondent:

Respondents have refused to provide a copy of a videotape of a moderated conversation between Fairfax County Public School officials and Ibram X. Kendi on or about August 6, 2020 at the school kick-off session for the 2020-21 academic year. See Appendix for details.

These rights and privileges were denied to me by:

the respondent [] via its Freedom of Information officer, Molly Shannon who denied me these rights and privileges by giving me a final ruling on January 11, 2022 that the requested video would not be provided.

I have good cause for filing this petition in that: the statute requires respondents to provide a copy of the requested videotape, and I have no legal remedy other than this Petition.

OR

[] The respondent [] has engaged, is engaged or is about to engage in acts in violation of the Protection of Social Security Numbers

Act by (DESCRIBE ACTS)

I ask this court to issue:

a writ of mandamus to require the respondent to act as follows:

[] an injunction to enjoin (prohibit) the respondent from acting as follows:

Produce a copy, at respondents' expense, of the videotape described above, and award Petitioner's costs.
