Subject: Re: Meeting: Onboard to the Controversial Issues & Anti-Racism Anti-bias Policy Project Team

A question I have is about the timeline, and how/if it will be affected by the current situation? When we last met we were discussing getting the policy before stakeholders and taking it to governance - is everything on pause?

Thanks,

I do not mind rescheduling but also would love the asynchronous option just as an added resource to deepen my learning.

Thank you,
Iona

Hi Nardos, Iona, Manny and Kim!

Would you mind if we rescheduled this meeting for after January 21 given Dr. Brabrand's call for Central Office support in schools? Another asynchronous option is that I could record short video for you and our new team members to watch.

What might be your preference?
